

Waste Services Since 1971

Core Values

SAFETY: We always put safety before productivity...

INTEGRITY: We always do the right thing...

DEPENDABILITY: We deliver on time, every time...

RESPONSIVE: We will always have a quick response to our clients and co-workers...

RESPECT / CARING: We treat others as we expect to be treated...

PROFESSIONAL APPEARANCE: Just because we transport and handle waste does not mean we should look like it...

POLITENESS: We will always show considerate behavior toward others and will use polite remarks or gestures to build our relationships...

LOYALTY: We will be loyal to employees, suppliers and customers...

ENTREPRENEURIAL SPIRIT: We anticipate change and shape it to fit our purposes...

COMPETITIVE: We may not be the biggest, but we will absolutely be the best at what we do...

ACCESSIBLE: We are a public service that provides health and environmental benefits to our customers, and as such, we will always be available to answer our customers' needs...

BALANCE: We know that our employees are our family, and that their families are our family...

#loveleckwaste
